Dear Child Care Provider,

This letter is in regards to the 09/03/13 compliance check of your Level B Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)k Fire and tornado drills are practiced monthly and documentation kept.

☐ 110.5(1)n Each smoke detector is tested monthly, and a record is kept for inspection purposes.

☐ 110.5(1)v The provider has written policies about responding to health-related emergencies.

☐ 110.5(2) A provider file is maintained and contains:

☐ 110.5(2)a A **physician's signed statement of health and immunization status on the provider and all members of the household who may be present when children are in the home.** Statements must be obtained at the time of initial registration and updated every two years.

☐ 110.5(8) Children's Files

☐ 110.5(8) An individual file is maintained for each child and updated annually or when there are changes. Each file contains:

☐ 110.5(8)d For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.

☐ 110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually.

☐ 110.5(8)e For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of admission physical.

☐ 110.5(8)g A signed and dated immunization certificate provided by the state department of public health.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

**I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.**

**Please sign and date below, and return this form in the provided envelope by: 10/31/13**
